

## Frosted Glass Sticker

Why Frosted Glass Sticker ?

### \* Privacy

It can enhance your security and privacy - by keeping unwanted people from looking into your home or office.

\* This frosted film is perfect for putting on the outside of your shower screen, kitchens, glass-panelled cupboard fronts (to hide the contents), laundries, the glass panels either side of a front door....

### \* Reduce Glaring

And it lets you do all this while letting 90% of the warm natural light in all year round. (An added advantage as you just can't get with curtains, blinds or drapes.)

***We also can custom made some special design according to your requirements***
